Reading Skills- VIPERS The Unusual Day, Sandi Toksvig  Reading with adult 2x/week- Big Cats Reading scheme.
Phonics	Monster Phonics- Term 1 teaches all NC Year 2 graphemes, the Year 2 CEWs and majority of the spelling rules, including the rules for adding vowel suffixes - the drop e, double consonant and y to an i rule. Homophones/near homophone are also taught in term 1.		Monster Phonics- Term 2 completes the teaching of spelling rules with a focus on consonant suffixes, contractions and possessive apostrophes. After a formative assessment, grapheme revision lessons commence. The daily activities set out in the Worksheet check for gaps in learning, further reinforce word lists, practise grammatical rules and dictation. Videos and PowerPoints from term 1 reinforce word lists and rules. The weekly plan for each grapheme culminates in a writing task that encourages children to use their phonics and grammatical knowledge in their free writing.		Monster Phonics- Term 3 completes the revision of the NC Year 2 graphemes. The focus for remaining 4 weeks is on spelling rules and CEW with opportunities to practise reinforcement activities and use these in free writing task.
