Dear Parents and Carers

Staffing for 2024/2025

The Directors and I are very conscious of the falling roll at Blenheim Park. To ensure the sustainability of Blenheim Park, we have formalised the partnership between Blenheim Park and Greenpark. This gives Blenheim Park an experienced leadership team that would otherwise be unaffordable with the numbers of pupils on roll. Mrs Graver has been appointed as the Executive Headteacher of Blenheim Park and Greenpark academies. She will continue to be supported by her team of two Executive Deputies – Mr Jones and Mr Stanton.

Earlier this term, we undertook a support staff restructure to ensure that we have the right roles for our current needs and a staffing structure that we can afford with fewer pupils on roll. Our priority was to maintain three classes with 3 class teachers and 3 teaching assistants. This has been achieved.

As part of the restructure, we have reduced the number of hours that our office will be staffed. Sadly, Mrs Way will be leaving at the end of this term. We all wish her the very best as she moves on to a new venture.

As with all of the academies within the Trust, leaders are now in a position to confirm staffing arrangements for September. Across the Trust, there are changes in our teaching teams. It is typical in the teaching profession for staff to move from school to school with many teachers seeking a change of work patterns and/or promotions. Headteachers across our Trust recruit to fill vacancies when they arise.

The attached newsletter from Mrs Graver sets out the class structure and staffing that will be in place at Blenheim Park from September 2024.

Your sincerely,
