There will not be a change for our current Y2 and Y3 children as they will spend the day in Birch class with Mrs Riseborough and Mrs Rockley.

Current Y4 and Y5 will spend the day in Willow class with Mr Elliott and Mr Nodes.

Our Y6 children will work with Mrs Walden for the day.

It will be a great day of fun 'getting to know you' activities as a taster for September 2024.

Mrs Walden

Mrs Walden is progressing in her teaching career and we are proud that she has been appointed as a deputy headteacher at Reffley Academy. She will take up her new post in September 2024. We will miss Mrs Walden at Blenheim Park and wish her all the best for this exciting new part of her journey. We are sure she will be a great deputy!

Ms Starr and Olive

Ms Starr and Olive have worked at Blenheim Park since September 2021. Ms Starr is an EYFS specialist, as Blenheim Park is a small school, she has been teaching both EYFS and KS1 children. Ms Starr, in her quest to live life to the full, has decided that she is going to pursue her love of holistic treatments and will no longer be teaching full time in schools. However, I am sure we will still see her back from time to time at Blenheim as a supply teacher. We thank Ms Starr (and Olive) for their work at Blenheim and wish them both lots of luck in their new venture. I am told Olive will still be working with Ms Starr in her new role!

Mr Marsh

Mr Marsh has had a variety of roles since he joined Blenheim Park in 2021. Mr Marsh has decided that he likes being a teaching assistant and has taken up his dream job as a full time teaching assistant role at Greenpark Academy. As a result, he will no longer be the caretaker at Blenheim Park from September 2024 and we are currently advertising for a replacement caretaker.
